

PERMIT TERM 119

Title: State Filing Involvement

When Used: Permits issued on applications assigned by the State Water Resources Control Board, or applications in favor of which release from priority of a State filing has been granted by the Board.

Term:  
Before making any change in the project determined by the State Water Resources Control Board to be substantial, permittee shall submit such change to the Board for its approval in compliance with Water Code Section 10504.5(a).
